RESOLUTION NO. 12th-521-2026

A RESOLUTION PROVIDING FOR THE CONTINUING EFFECT OF RESOLUTION NO. 11TH-644-2024, ENTITLED “A RESOLUTION UTILIZING THE AMBULANCE SERVICE OF THE RURAL HEALTH UNIT OF THIS MUNICIPALITY AS AN AMBULANCE SERVICE PROVIDER OF BOTH THE MOLAVE MATERNITY CLINIC AND SIMATA BARANGAY HEALTH STATION BIRTHING HOMES, MOLAVE, ZAMBOANGA DEL SUR”.

WHEREAS, Administrative Order No. 2012-0012, entitled “Rules and Regulations Governing the New Classification of Hospitals and Other Health Facilities,” and the applicable assessment tools for licensing birthing homes identify the licensing standards and requirements for birthing facilities, including the provision of a Patient Transport Vehicle or, preferably, a duly licensed ambulance;

WHEREAS, Administrative Order No. 2018-0001, entitled “Revised Rules and Regulations Governing the Licensure of Land Ambulances and Ambulance Service Providers,” provides for the licensing and regulatory requirements governing land ambulances and ambulance service providers and requires birthing facilities to have appropriate ambulance service arrangements, whether through ownership or through an ambulance service provider, as may be applicable;

WHEREAS, the Sangguniang Bayan of Molave, Zamboanga del Sur, adopted Resolution No. 11TH-644-2024 on August 7, 2024, authorizing the utilization of the Ambulance Service of the Rural Health Unit of this Municipality as an Ambulance Service Provider of both the Molave Maternity Clinic and Simata Barangay Health Station Birthing Homes, Molave, Zamboanga del Sur;

WHEREAS, the ambulance of the Rural Health Unit (RHU) of this Municipality is owned by the Local Government Unit (LGU) of Molave, which is authorized to operate as a Free-Standing Ambulance Service Provider, with the corresponding license and registration issued by the appropriate government regulatory authority, and with RHU Molave having one (1) registered Type-1 Ambulance, subject to the periodic renewal and continued compliance with applicable licensing, registration, and regulatory requirements;

WHEREAS, the Molave Maternity Clinic and Simata Barangay Health Station Birthing Homes are government-operated birthing facilities owned by the LGU of Molave and require access to a licensed ambulance or appropriate Patient Transport Vehicle to ensure the prompt and safe transport of high-risk pregnant patients and those with pregnancy-related complications who require referral to a higher level of patient care;

WHEREAS, the need for an ambulance service for the said birthing facilities is continuing in nature and arises from their regular operation and the continuing need to provide timely referral and transport services to patients requiring higher-level medical care;

WHEREAS, the Office of the Municipal Mayor, through a communication dated September 28, 2026, requested that the authority established under Resolution No. 11TH-644-2024 be given continuing effect, in order to facilitate the licensing and renewal requirements of the Molave Maternity Clinic and to avoid the repeated preparation, processing, and approval of a new Sangguniang Bayan resolution for every subsequent licensing or renewal proceeding involving the said facility;

WHEREAS, the Sangguniang Bayan recognizes that the ambulance service arrangement established under Resolution No. 11TH-644-2024 is not limited to a single licensing or renewal period, but is intended to support the continuing delivery of health services and the referral and transport needs of the concerned government-operated birthing facilities;

WHEREAS, providing for the continuing effect of Resolution No. 11TH-644-2024 will promote administrative efficiency and continuity in the provision of ambulance services and will allow the said Resolution to be presented as continuing supporting authority in connection with the licensing, renewal, and related regulatory requirements of the concerned birthing facilities;

WHEREAS, the continuing effect of the said Resolution shall not dispense with or replace the requirement to secure, maintain, and periodically renew the appropriate license, registration, permit, accreditation, or other authorization required for the operation of the ambulance service and the concerned health facilities under applicable laws, rules, regulations, and requirements of the Department of Health and other competent government authorities;

WHEREAS, the Sangguniang Bayan finds it proper and necessary to affirm the continuing effect of Resolution No. 11TH-644-2024, subject to the continued validity or renewal of the applicable licenses and authorizations and compliance with all pertinent laws, rules, regulations, and licensing requirements;

NOW, THEREFORE, on motion of Honorable Geromo and duly seconded by Honorable Uy, the Sangguniang Bayan of Molave, Zamboanga del Sur, hereby;

RESOLVED, as it is hereby resolved to provide for the continuing effect of Resolution No. 11th-644-2024, entitled "A resolution utilizing the ambulance service of the Rural Health Unit of this Municipality as an Ambulance Service Provider of both the Molave Maternity Clinic and Simata Barangay Health Station Birthing Homes, Molave, Zamboanga del Sur".

RESOLVED FURTHER, that the authority granted under Resolution No. 11TH-644-2024 to utilize the Ambulance Service of the Rural Health Unit of this Municipality as an Ambulance Service Provider of both the Molave Maternity Clinic and Simata Barangay Health Station Birthing Home shall continue to be in full force and effect;

RESOLVED FURTHER, that the Molave Maternity Clinic and Simata Barangay Health Station Birthing Home shall continue to be given priority in the transport of patients needing referral to higher-level health facilities by the RHU Molave Ambulance Service should requests from other health facilities and patients conflict with the transport needs of the said birthing facilities;

RESOLVED FURTHER, that the continuing effect of Resolution No. 11TH-644-2024 shall be without prejudice to the periodic renewal and continued validity of the license, registration, and other regulatory authorizations required for the operation of the RHU Molave Ambulance Service, and to the compliance of the Molave Maternity Clinic and Simata Barangay Health Station Birthing Home with their respective licensing and regulatory requirements;

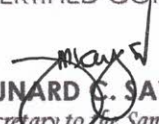

RESOLVED FURTHER, that this Resolution may be presented and used as continuing supporting legislative authority in connection with the licensing, renewal, and related regulatory proceedings of the Molave Maternity Clinic and Simata Barangay Health Station Birthing Home, subject to the acceptance and requirements of the appropriate regulatory authorities;

RESOLVED FINALLY, that all other provisions of Resolution No. 11TH-644-2024 shall remain in full force and effect insofar as they are not inconsistent with this Resolution.

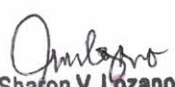

UNANIMOUSLY APPROVED, this 29th day of September, 2026 at Molave, Zamboanga del Sur.
